Mendon, MA 01756

Dear Mr. Brower:

On behalf of the Board of Directors of Hope Alzheimer's Center, and in service to the devoted families who entrust loved ones to the Center's care, please accept my sincere thanks for your kind support. Your generous \$1,000.00 donation will help assure the very best in therapeutic programming for persons with memory loss and will greatly ease the burden of providing services to those who cannot afford to pay the full cost of care.

Your gift comes at a challenging time when the cost of care is rising, but the level of State reimbursement for families who cannot afford the full cost of care, stays the same. Your donation will help us to continue to offer the best in therapeutic services and programs to anyone who needs us.

Thank you again for your donation and for being a *Builder of Hope*.

Yours truly,

*Cynthia Conant-Arp*
