Dear Mike:

I would like to thank Bay State Pond Of The Honorable Order Of The Blue Goose for their gift of \$1,000 to the 2010 Reach Out for Youth and Families campaign! Your generosity will have a real impact on real people from our community—improving the health of kids, molding young people, and strengthening families.

As you know, our YMCA is committed to being there when families need us most. Reach Out for Youth & Families ensures that we keep that promise through the generosity of friends like you. The need is great—and growing.

In 2009, our campaign benefited more than 15,000 local children, adults, and families by providing more than \$1.2 million in program subsidies and scholarships allowing our friends and neighbors in need to experience the important impact of YMCA programs and services.

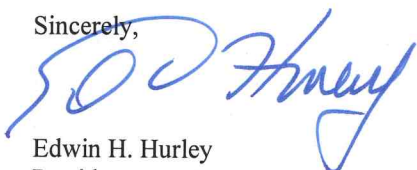

Each of these 15,000 children and adults has their own YMCA story. The true impact of our campaign lives within each of these stories, from a child having their first summer camp experience to a family improving the growth and development of their child with special needs, and from a teen gaining important leadership and job skills to hundreds of children improving their health through our Healthy Futures initiative.

When one story becomes 15,000 stories, and when 15,000 stories becomes over \$1 million in generosity and support, collectively we have made our community a better place to live, work, and play.

Your gift qualifies Bay State Pond Of The Honorable Order Of The Blue Goose for special recognition in our Chairman's Circle. For recognition purposes your name will appear as Bay State Pond Of The Honorable Order Of The Blue Goose. Should you wish your gift to be recognized differently, please email Sandyc@hockymca.org with your desired recognition listing.

Once again, please accept my sincere appreciation for your commitment to our 2010 Reach Out for Youth & Families campaign and thank you for continuing to advance the work of our YMCA within our community.

Sincerely,

Edwin H. Hurley
President

Thank you very much for your continued support
